

Mary Jane Bogrette

Hello, my name is Mary Jane Bogrette. I have been teaching the M-W-F program at Scooter School since 2002. Before I joined the staff at Scooter, I received a Bachelor of Science degree in Early Childhood Education from Southern Connecticut State University with a K-6 teaching certification. I also completed one semester in their graduate program.

I have many years of experience with young children including eleven years as a stay at mom. My husband Don and I have two sons who are eleven and eight. My older son Colin is in sixth grade and Ryan is in third. They both attend Highland School on Cheshire.

Before my children were born, I was a director of The Wee Care Nursery and Day Care Center. Before becoming a director, I taught preschool children for NOW Inc. I also have experience as a substitute teacher for Cheshire Public Schools teaching primary grades.

I have been a Cheshire resident for fourteen years and have been married to my husband Don for sixteen years. During the winter months, my family and I enjoy skiing together. In the summer months, I enjoy reading and spending time in my garden.

I look forward to coming to Scooter every Monday, Wednesday and Friday and providing the children in my classroom with a fun, exciting preschool experience.
